

Monday, 26th September

09:00-9:45	Opening lecture					
09:45	Opening ceremony					
11:00-11:30	Coffee break					
11:30	A1 (Opening session lecture)	A2 (Opening session lecture)	A3 (Opening session lecture)	A4 (Opening session lecture)	A5 (Opening session lecture)	A6 (Opening session lecture)
12:00	A1	A2	A3	A4	A5	A6
12:15	A1	A2	A3	A4	A5	A6
12:30	A1	A2	A3	A4	A5	A6
12:45	A1	A2	A3	A4	A5	A6
13:00	A1	A2	A3	A4	A5	A6
13:15	A1 (3 flash presentation)	A2 (3 flash presentation)	A3 (3 flash presentation)	A4 (flash presentation)	A5 (3 flash presentation)	A6 (3 flash presentation)
13:30-15:00	Lunch					
15:00-15:45	Plenary lecture					
15:45	B1 (Opening session lecture)	B2 (Opening session lecture)	B3 (Opening session lecture)	B4 (Opening session lecture)	B5 (Opening session lecture)	B6 (Opening session lecture)
16:15	B1	B2	B3	B4	B5	B6
16:30	B1	B2	B3	B4	B5	B6
16:45	B1	B2	B3	B4	B5	B6
17:00-17:30	Coffee break					
17:30	B1	B2	B3	B4	B5	B6
17:45	B1	B2	B3	B4	B5	B6
18:00	B1	B2	B3	B4	B5	B6
18:15	B1	B2	B3	B4	B5	B6
18:30	B1	B2	B3	B4	B5	B6
18:45	B1 (3 flash presentation)	B2 (3 flash presentation)	B3 (3 flash presentation)	B4 (3 flash presentation)	B5 (3 flash presentation)	B6 (3 flash presentation)
19:00	B1 (3 flash presentation)	B2 (3 flash presentation)	B3 (3 flash presentation)	B4 (3 flash presentation)	B5 (3 flash presentation)	B6 (3 flash presentation)
19:15-20:00	Poster session					
20:00-21:00	Get together reception					

A1.	Conservation Ecology
A2.	Drivers of pollinator loss in Europe
A3.	Biodiversity and Ecosystem Functioning in the Context of Environmental Changes (by BACCARA EU project)
A4.	Impacts of climate change mitigation measures on biodiversity and ecosystem services
A5.	The role of ectomycorrhizal communities in carbon cycling: New perspectives and emerging concepts
A6.	Cause-effect relationships in food webs-aquatic ecosystems as study systems
B1.	Theoretical Ecology
B2.	Stable isotopes in ecological processes
B3.	Surveillance and Monitoring of habitats and species
B4.	Ecological networks of mutualistic and antagonistic interactions. Implications for conservation and restoration
B5.	Impacts of global environmental change on the structure and functioning of dryland ecosystems
B6.	Evolutionary history, ecosystem function, and conservation biology: new perspectives

Tuesday, 27th September

08:30-9:15	Plenary lecture					
09:15	B7 (Opening session lecture)	B8 (Opening session lecture)	B9 (Opening session lecture)	B10 (Opening session lecture)	B11 (Opening session lecture)	B12 (Opening session lecture)
09:45	B7	B8	B9	B10	B11	B12
10:00	B7	B8	B9	B10	B11	B12
10:15	B7	B8	B9	B10	B11	B12
10:30-11:00	Coffee break					
11:00	B7	B8	B9	B10	B11	B12
11:15	B7	B8	B9	B10	B11	B12
11:30	B7	B8	B9	B10	B11	B12
11:45	B7	B8	B9	B10	B11	B12
12:00	B7	B8	B9	B10	B11	B12
12:15	B7	B8	B9	B10	B11	B12
12:30	B7 (3 flash presentation)	B8 (3 flash presentation)	B9 (3 flash presentation)	B10 (3 flash presentation)	B11 (3 flash presentation)	B12 (3 flash presentation)
12:45	B7 (3 flash presentation)	B8 (3 flash presentation)	B9 (3 flash presentation)	B10 (3 flash presentation)	B11 (3 flash presentation)	B12 (3 flash presentation)
13:00-14:30	Lunch					
14:30-15:15	Plenary lecture					
15:15	A7 (Opening session lecture)	A8 (Opening session lecture)	A9 (Opening session lecture)	A10 (Opening session lecture)	A11 (Opening session lecture)	A12 (Opening session lecture)
15:45	A7	A8	A9	A10	A11	A12
16:00	A7	A8	A9	A10	A11	A12
16:15	A7	A8	A9	A10	A11	A12
16:30-17:00	Coffee break					
17:00	A7	A8	A9	A10	A11	A12
17:15	A7	A8	A9	A10	A11	A12
17:30	A7 (3 flash presentation)	A8 (3 flash presentation)	A9 (3 flash presentation)	A10 (3 flash presentation)	A11 (3 flash presentation)	A12 (3 flash presentation)
17:45	EEF MEETING	Ernst Haeckel award		Web Ecology	French-Spanish meeting	
18:45-19:45	Poster session		Education Forum	National meetings		
Free time						
21:00-23:00	Conference Dinner					

B7.	Evolutionary Ecology
B8.	Functional Ecology
B9.	Synthesizing community ecology, phylogenetics and macroecology
B10.	Sharing and harmonizing long-term ecosystem research and monitoring across Europe: contributions and experiences from the EnvEurope Life + project and the LTER-Europe network in 21 countries
B11.	Population Ecology and Community Ecology
B12.	Dryland restoration from ecotechnology to people
A7.	Ecological Models and their applications in forest management
A8.	Ecosystems evolution during early successional stages: How can we link pattern and processes for the understanding of ecosystem dynamics?
A9.	Involving Citizen Scientists in Ecology
A10.	Climate change, extreme events and alpine ecosystem responses
A11.	Drought-induced forest dieback: causes, scope and implications
A12.	Concepts in the center of ecological knowledge? Probing a reflexive tool in biological conservation, ecological model building and data collection

Wednesday, 28th September

08:30-9:15	Plenary lecture					
09:15	B13 (Opening session lecture)	B14 (Opening session lecture)	B15 (Opening session lecture)	B16 (Opening session lecture)	B17 (Opening session lecture)	B18 (Opening session lecture)
09:45	B13	B14	B15	B16	B17	B18
10:00	B13	B14	B15	B16	B17	B18
10:15	B13	B14	B15	B16	B17	B18
10:30-11:00	Coffee break					
11:00	B13	B14	B15	B16	B17	B18
11:15	B13	B14	B15	B16	B17	B18
11:30	B13	B14	B15	B16	B17	B18
11:45	B13	B14	B15	B16	B17	B18
12:00	B13	B14	B15	B16	B17	B18
12:15	B13	B14	B15	B16	B17	B18
12:30	B13 (3 flash presentation)	B14 (3 flash presentation)	B15 (3 flash presentation)	B16 (3 flash presentation)	B17 (3 flash presentation)	B18 (3 flash presentation)
12:45	B13 (3 flash presentation)	B14 (3 flash presentation)	B15 (3 flash presentation)	B16 (3 flash presentation)	B17 (3 flash presentation)	B18 (3 flash presentation)
13:00-14:30	Lunch					
14:30-15:15	Plenary lecture					
15:15	A13 (Opening session lecture)	A14 (Opening session lecture)	A15 (Opening session lecture)	A16 (Opening session lecture)	A17 (Opening session lecture)	A18 (Opening session lecture)
15:45	A13	A14	A15	A16	A17	A18
16:00	A13	A14	A15	A16	A17	A18
16:15	A13	A14	A15	A16	A17	A18
16:30-17:00	Coffee break					
17:00	A13	A14	A15	A16	A17	A18
17:15	A13	A14	A15	A16	A17	A18
17:30	A13 (3 flash presentation)	A14 (3 flash presentation)	A15 (3 flash presentation)	A16 (3 flash presentation)	A17 (3 flash presentation)	A18 (3 flash presentation)
17:45-18:45	Closing Ceremony					
18:45	Poster session			Oecologia board meeting		
19:45	Poster dismount					

B13.	Applied Ecology
B14.	Trophic interactions and ecosystem functioning in real-world landscapes.
B15.	Limitations to green house gas assimilation across scales in a warming world
B16.	Population Ecology and Community Ecology
B17.	Recent advances in a quite vivid field, the stress ecology of soil invertebrates
B18.	Ecology and evolution of dispersal in a rapidly changing environment: from understanding to conservation strategies
A13.	Applications of ecological models in biodiversity conservation and monitoring in a rapidly changing world
A14.	Ecological and ecotoxicological effects of oil spills and plastics in the marine environment
A15.	Mediterranean forests and global change
A16.	Biodiversity and Ecological Services in Agricultural Systems
A17.	Advances in Eco-hydrology
A18.	Ecological indicators of environmental change
